

Graduate School of Medicine

Master's course -- Division of Medical Science

Doctor's course -- Division of Medicine

Based on Osaka University Admission Policies, in order to nurture personnel suited to its education objectives, the Graduate School of Medicine is looking for:

- Individuals who meet the knowledge requirements noted below and aim to contribute to the development of world medicine, medical care, and life science.
- Individuals aiming to secure quality healthy life for the local community as a medical professional.
- Individuals hoping to assist in nurturing excellent personnel responsible for the next generation.

The master's course welcomes persons possessing these qualities:

- English proficiency capable of reading theses written by Western researchers.
- University level of science knowledge as well as basic undergraduate-school-level expertise or higher.
- An excellent sense of purpose and a sense of ethics necessary for conducting medical research.

The doctor's course welcomes persons possessing these qualities:

- English proficiency capable of reading theses written by Western researchers and writing theses in English.
- Undergraduate level of knowledge necessary for conducting research in medicine and life science as well as a master's course or higher level of basic knowledge in a specialized area.
- An excellent sense of purpose and a sense of ethics necessary for conducting medical research.
