

### Accommodation:

Participants are required to pay for their own accommodation. University accommodation at Vine Court has been reserved at a reasonable cost of approximately £329 for seven nights stay including breakfast. All of the rooms in Vine court are single occupancy study rooms with private bathrooms and access to a shared lounge/kitchen area. Vine Court is a modern accommodation building, a short walking distance from all workshop events and within the historic University of Liverpool campus. <https://www.liverpool.ac.uk/accommodation/halls/on-campus-accommodation/vine-court/>

### Meals:

Most meals are provided but some of the evening meals are not provided. There is however, a great variety of reasonably priced restaurants and cafés around the University and in the City Centre within easy walking distance. Other participants and facilitators will guide you and accompany you.

### Travel:

Participants are responsible for funding their own travel to and from Liverpool. When seeking funding within your institution we recommend that you provide them with some indication of the cost.

### Personal Costs:

It is recommended that you may need approximately £700 to cover costs both accommodation and the occasional evening meal. This also allows for contingencies.

### Funding from your Institution:

We recommend when applying to your institution for a place on the workshop that you estimate the cost of travel to Liverpool, the price of accommodation (as indicated above) along with the personal costs you are likely to incur.

If you are coming from **Japan** these costs will be:

- Airfare to and from either London or Manchester
- Train fare to Liverpool
- Accommodation costs (approximately £329)
