

Osaka University COVID-19 Vaccination Schedule

* Since the Moderna COVID-19 vaccine requires a second dose at a 4-week interval, the date and time for the second vaccination that corresponds to the date and time of the first vaccination will be designated. Therefore, please consider a schedule that you are available for both the first and second vaccinations.

* ○ in the below table indicates the date of first vaccination. Dates indicated in brackets ([]) after ○ is the second vaccination date.

* The schedule for the first vaccination day after 1 August will be announced later.
