

Faculty Position in the Graduate School of Information Science and Technology, Osaka University

Outline	Department of Information Systems Engineering, Graduate School of Information Science and Technology, Osaka University invites applicants for Associate Professor position in information systems engineering.
1. Position	Associate Professor
2. Number of Positions	1
3. Affiliation	Division of Integrated Systems Design, Department of Information Systems Engineering, Graduate School of Information Science and Technology, Osaka University
4. Work Location	Suita Campus (Suita-city, Osaka)
5. Specialized Field	Information systems engineering, especially, integrated system architecture and its design methodology, such as VLSI/system design methodology, embedded system design, low power design, design for reliability, and statistical design optimization.
6. Responsibilities	(1) Research supervision in Graduate School of Information Science and Technology, and teaching courses in information systems engineering in Graduate School of Information Science and Technology in English or Japanese (Suita campus) (2) Teaching courses in computer science in undergraduate school in Japanese (Toyonaka campus) (3) Advanced and innovational research (4) Administrative work for department, graduate and undergraduate schools and university
7. Qualifications	[Essential] (1) Ph.D. degree or equivalent in computer engineering or its related fields (2) Highly evaluated achievement in the aforementioned specialized fields, ability to conduct research and development of dependable integrated systems with cross-layer perspective from device to system, and the will to open up new research field [Desirable] (3) Interests in deep learning and machine learning and their efficient system integration, and research achievements in this area.
8. Starting Date	October 1, 2018 (or as soon as thereafter)
9. The term of Employment	No Fixed Term
10. Probation Period	6 months
11. Employment Form	The discretionary Labor System, Special Work Type is applied. (Deemed working hours: 8 hours a day) *Based on the 'Regulations Pertaining to Working Hours, Holidays and Leave for National University Corporation Osaka University Staff.' http://www.osaka-u.ac.jp/en/guide/information/joho/files/sk0006e.pdf
12. Salary and Benefits	*Based on the 'Salary Regulations for National University Corporation Osaka University Staff.' http://www.osaka-u.ac.jp/en/guide/information/joho/files/sk0010e.pdf

13. Insurance	Successful candidate will join National Public Service Personnel Mutual Aid Associations, Employment Insurance and Workers' Accident Compensation Insurance.
14. Application Documents	<p>(1) Curriculum Vitae (including photo)</p> <p>(2) List of research achievements (categorizing achievements into original journal papers, proceedings of international conference, proceedings of domestic conference, commentaries and review papers, books, patents and prizes. Add notes to keynote and invited talks.)</p> <p>(3) Offprint of three major original papers</p> <p>(4) Interpretation of the above major papers (A4, one page)</p> <p>(5) List of education (research supervision and lectures in Japanese and English. A4 one page.)</p> <p>(6) Acquired external research funds (information of role of project such as PI or co-PI, and the amount (if possible) should be included)</p> <p>(7) List of social and academic activities (categorizing activities into international and domestic ones.)</p> <p>(8) Research plan and educational aspirations (A4, two pages)</p> <p>(9) Names, affiliation, title and contact information of two referees (at least one from oversea)</p> <p>(10) Electrical files of (1) to (9) stored in, for example, CD-R</p>
15. Sending Address and Contact information	<p>Professor Masanori Hahsimoto Department of Informaiton Systems Engineering, Graduate School of Information Science and Technology, Osaka University 1-5 Yamadaoka, Suita, Osaka, 565-0871, Japan. Tel: +81-6-6879-4520, E-mail: hasimoto@ist.osaka-u.ac.jp</p> <p>*Write 'Application for faculty position' on the envelope in red ink. *Send application documents by registered mail. *Submitted application documents will not be returned. *Submitted application documents will only be used for the purpose of application screening and hiring procedure.</p>
16. Application deadline	Must arrive no later than July 17th, 2018 (Japan time)
17. Selection Process	<p>After documents have been reviewed, only shortlisted candidates may be interviewed.</p> <p>*Interview notification will be given to only the candidates for interview. *Travel and accommodation fees necessary for interviews are to be covered by the candidate.</p>
18. Additional Information	<p>Please refer to 'Work Regulations for National University Corporation Osaka University Staff' and the other regulations for other than the above-mentioned and/or further details about conditions of the work. http://www.osaka-u.ac.jp/en/guide/information/joho/kitei_shugyou.html</p> <p>Osaka University is promoting gender equality. (Reference: http://www.osaka-u.ac.jp/en/guide/diversity) Graduate School of Information Science and Technology enforces independent support. We encourage applications from women.</p>
19. Recruiter	National University Corporation Osaka University
