Faculty Position in the Graduate School of Information Science and Technology, Osaka University

Outline	Information networking covers a broad academic area from network infrastructure to application services. Department of Information Networking in Graduate School of Information Science and Technology, Osaka University is devoted to education and research in the broad area by investigating the potential and essence of computer networks and developing perspectives, new concepts, theories and technologies on advanced and intelligent networking for effective information sharing in static and mobile environments. We are now inviting applications for an assistant professor for researching network engineering, especially intelligent wireless networking and related fields (for example, wireless video networks) and for performing educational activities in information networking.
1. Position	Assistant Professor
2. Number of Positions	One
3. Affiliation	Intelligent Networking Course, Department of Information Networking, Graduate School of Information Science and Technology
4. Work Location	Suita Campus （1-5 Yamadaoka, Suita-city, Osaka）
5. Specialized Field	Information Networking
6. Responsibilities	Teach courses, conduct practicals, and offer research guidance on information networking and related areas at the undergraduate and graduate levels.
7. Qualifications	[Essential] (1) Ph.D. or equivalent in related field/s is required. (2) High valuated achievement in wireless networking, e.g., medium access control and routing through theoretical and practical approach to algorithmic aspects of the technologies, is required. (3) General and specialized knowledge in information networks for teaching classes (4) Eagerness to conduct research on wireless/wired information networks (5) Japanese and English language ability sufficient to fulfill one's work duties, including ability of giving lectures in each of the languages.
8. Starting Date	April 1st, 2019 (or as close as possible thereafter)
9. The term of Employment	No Fixed Term
10. Probation Period	6 months

11. Employment Form	The discretionary Labor System, Special Work Type is applied. (Deemed working hours: 8 hours a day) *Based on the 'Regulations Pertaining to Working Hours, Holidays and Leave for National University Corporation Osaka University Staff' http://www.osaka-u.ac.jp/en/guide/information/joho/files/sk0006e.pdf
12. Salary and Benefits	*Based on the 'Salary Regulations for National University Corporation Osaka University Staff Subject to Annual Salary System http://www.osaka-u.ac.jp/en/guide/information/joho/files/sk0017e.pdf The separate regulations may apply if your previous employment period is included in the calculation of the "period of continuous service" defined in the 'Regulations Pertaining to Retirement Allowance for National University Corporation Osaka University Staff' and you are entitled to a retirement allowance.
13. Insurance	Successful candidate will join National Public Service Personnel Mutual Aid Associations, Employment Insurance and Workers' Accident Compensation Insurance.
14. Application Documents	Applications should be written in English or Japanese. 1. Curriculum Vitae (photo attached) *Please use the university form available at the following website. http://www.osaka-u.ac.jp/en/news/employ/en/news/employ/academic_staff/index.html 2. List of research achievements and academic publications (Please classify the publications into categories such as original paper, international conference paper, book, review paper, tutorial paper, patent and so on.) 3. Three Copies of three major original papers (Photocopies are acceptable) 4. Names and outlines of prizes and awards 5. Major research projects and their achievements (A4, about 2 pages) 6. Research plan and statement of educational aspirations (A4, about 2 pages) 7. Names and contact information of two referees
15. Sending Address and Contact information	(By postal mail) *Write 'Application for faculty position (Assistant Professor) in Watanabe Laboratory' on the envelope in red ink. *Send application documents by registered mail. *Submitted application documents will not be returned. *Submitted application documents will only be used for the purpose of application screening and hiring procedure. * Address: Prof. Takashi Watanabe Graduate School of Information Science and Technology, Osaka University 1-5 Yamadaoka, Suita, Osaka, 565-0871 (By e-mail) *Write 'Application for faculty position (Assistant Professor) in Watanabe Laboratory' in the subject line. Contact Person: Prof. Takashi Watanabe Tel: +81-6-6879-4545 E-mail: watanabe@ist.osaka-u.ac.jp
16. Application deadline	Must arrive no later than October 12, 2018. (Japan time)

17. Selection Process	After documents have been reviewed, only shortlisted candidates will be interviewed. *Shortlisted candidates will be notified within around two weeks from the deadline. Please note that unsuccessful applicants after initial screening will not be contacted. *Travel and accommodation fees necessary for interviews are to be covered by the candidate.
18. Additional Information	Please refer to 'Work Regulations for National University Corporation Osaka University Staff' and the other regulations for other than the above-mentioned and/or further details about conditions of the work. http://www.osaka-u.ac.jp/en/guide/information/joho/kitei_shugyou.html Osaka University is promoting gender equality. (Reference: http://www.osaka-u.ac.jp/en/guide/diversity) Graduate School of Information Science and Technology enforces independent support. We encourage applications from women.
19. Recruiter	National University Corporation Osaka University
