***Note: The document below is an English translation of the University Work Regulations, originally composed in Japanese. The English version of the Work Regulations has been provided merely as a reference for international researchers and employees. Therefore, it should not be considered an official employment contract. Please note that any and all official employment contracts are concluded solely on the basis of the Japanese version of the Work Regulations.***

### (Purpose)

- Article 1: The purpose of these regulations shall be to define details of items pertaining to the payment of retirement allowance in accordance with The Regulations Pertaining to Retirement Allowance for National University Corporation the University of Osaka Staff (hereinafter referred to as “The Staff Retirement Allowance Regulations”) and The Regulations Pertaining to Retirement Allowance for National University Corporation the University of Osaka Limited Term Staff (hereinafter, the term “The Retirement Allowance Regulations” shall be used to refer to both sets of regulations).
2. The term “The University” used in these detailed regulations is to refer to “National University Corporation the University of Osaka” and the term “Employee(s)” is to refer to employees to whom the regulations cited in the foregoing item apply.

### (Definitions)

- Article 2: The term “other organization equivalent to the National University Corporation” cited in provision Item 1, Paragraph 1, Article 3 of The Retirement Allowance Regulations shall refer to the Inter-University Research Institute Corporation, Institute of National Colleges of Technology, National Institution for Academic Degrees and Quality Enhancement of Higher Education and Japan Aerospace Exploration Agency ( however, it's limited to academic staff as defined by the work regulations of each respective organization,) and National Center for University Entrance Examinations.
2. The term “injury or illness” cited in Paragraph 3, Article 5, Paragraph 2, Article 6, Paragraph 1, Article 8, and Paragraph 4 of Supplementary Provisions (implemented as of 1 April 2006) of the Retirement Allowance Regulations shall refer to the injury or illness of which degree corresponds to the class of damage as defined in Paragraph 2, Article 47 of the Employees’ Pension Insurance Act (Law No. 115, 1954).

### (Calculation of continuous employment period)

- Article 3: The period of continuous employment that comprises the basis for calculation of the retirement allowance shall be taken to be the number of months between the month in which the day a person becomes an Employee and the month in which the day said person retires.
2. In cases where an Employee retires from The University (excluding cases in accordance with the terms and provisions of Item 5 or Item 6, Paragraph 1, Article 3 of The Retirement Allowance Regulations) and again becomes an Employee either on the day of said retirement or the subsequent day, the period of continuous employment defined in the foregoing paragraph shall continue to remain valid.

### (Monthly Basic Salary on the Day of Retirement)

- Article 4: In cases of non-payment of part or all of the basic salary on the day of the retirement of a retiring Employee, due to reasons such as a leave of absence, the monthly basic salary of said Employee on the day of retirement shall be taken as the full monthly basic salary to which said Employee is entitled on said day of retirement.
2. In cases of a retiring Employee to whom designated duties basic salary tables defined in provision Item 4, Paragraph 1, Article 11 of The Salary Regulations for National University Corporation the University of Osaka Staff or provision Item 4, Paragraph 1, Article 11 of The Salary Regulations for National University Corporation the University of Osaka Limited Term Staff apply, regulations pertaining to pay rise shall be applied based on the basic monthly salary paid to said Employee prior to application of said basic salary tables and the basic monthly salary thereby recalculated shall be taken as the basic monthly salary applicable of the day of retirement.

### (Special Provisions Pertaining to Retirement Allowance for Employees with a Period of Service as Trustee)

Article 5: Employees retiring to become a trustee of The University or another national university corporation, etc. and again becoming an Employee after retiring from the post of trustee, notwithstanding the provisions of articles 6 through 8 of The Retirement Allowance Regulations, may be entitled to an increase or decrease in the retirement allowance applicable during the period of service as trustee commensurate with the record of performance as trustee of said Employee.

2. If the amount of retirement allowance is increased under the provision of the preceding paragraph, the provisions of Article 10 of The Staff Retirement Allowance Regulations shall not apply.

(Special Provisions Pertaining to Retirement Allowance for Early Retirees)

Article 6: In the case of application of Paragraph 1, Article 7, Paragraph 1 Article 8 and Paragraph 1, Article 8-2 of The Staff Retirement Allowance Regulations to “Employees retiring from The University 6 months or more before the stipulated retirement age date and whose period of continuous employment is 20 years or more and whose age on the day of said retirement is within 20 years difference of the stipulated retirement age for said Employee” as stipulated in Paragraph 1, Article 9 of The Staff Retirement Allowance Regulations, the phrases or passages in the right side column in the table hereunder (Substitute Phrase or Passage) should be substituted for the phrases or passages in the middle column (Original Phrase or Passage) appearing in the provisions, items and articles of said regulations shown in the left side column.
