Release of the Financial Statements for FY2017 (14th Fiscal Period)

We hereby release the financial statements and statement of accounts, etc. for FY2017 (14th fiscal period) following their approval by the Minister of Education, Culture, Sports, Science and Technology.

The financial statements were prepared in accordance with the Accounting Standards for National University Corporations and the Practical Guidelines, etc. that were formulated based on the corporate accounting principles and by incorporating accounting practices specific to national university corporations, etc. while taking into account the characteristics of the business, namely education and research, undertaken by national university corporations.

The financial situation surrounding universities has become increasingly severe year by year. We will continue to stabilize and strengthen our financial base by reducing expenses, actively acquiring external funds, and upgrading the Osaka University Foundation for the Future, in particular. We would appreciate your continued support.

Tetsuo Ogawa  
Executive Vice President (in charge of financial affairs)  
National University Corporation Osaka University
