cancellation procedure. However, there are cases where it may possible to continue the coverage until the end of the insurance period, so please contact the contact information provided on the brochure, etc.

If receiving an insurance payment claim within 1 month of a change to the enrollment information, for the sake of caution, please notify the person in charge listed in the pamphlet and so on.

# 2. When canceling the insurance contract

If canceling enrollment, please notify the inquiry contact listed in the pamphlet and so on.

- Depending on the enrollment information and contract termination conditions, insurance premiums may be returned, or unpaid insurance premiums may be billed \*1 using Tokio Marine & Nichido Fire Insurance's prescribed calculation method. The sum for the insurance premium being returned or billed will differ depending on the insurance promium payment billed will differ depending on the insurance premium payment method and reason for termination of contract.
- Even if insurance premiums are being returned, as a rule, the returned sum shall be less than the amount obtained by deducting the insurance premium calculated on a "monthly basis" for the elapsed portion of the policy duration \*2 from the insurance premium already paid insurance premium already paid.
- If terminating the insurance contract and enrolling anew without waiting for the maturity date, there may be cases in which coverage and insurance premiums change, and where services are no longer available.
- \*1 Bills for insurance premiums may be received after the day on

which the contract is terminated.

- \*2 This refers to the period that has already elapsed up to the contract termination date from the start date, including that day.
- 3. Termination of contract at the request of the insured person

In the comprehensive life insurance (child insurance), there is a system in place, which allows for those having been insured to cancel the insurance, if they request it. For further information about the system and procedure, please contact the contact information stated on the brochure, etc. We hope you can explain this content to all those who have been insured.

### 4. When the maturity date is reached

[If renewal is restricted following end of insurance period]

- Depending on the insurance payment claim status and age of the insured person and so on, there may be times when future renewals are refused, or underwriting conditions are restricted. If revisions are made by Tokio Marine & Nichido Fire Insurance to
- the standard policy terms, special provisions, or system and so on pertaining to insurance underwriting, the content on the renewal date shall apply for coverage following renewal. As a result, there may be cases in which the coverage content and so on following renéwal is changed, or in which renewal is not possible.

### [Post-contract renewal insurance fee]

The insurance fee for each product is calculated as of the renewal date in accordance to the current renewed insurance fee percentages . Therefore, the product's post-renewal insurance fee is different from the pre-renewal insurance fee.

### [Verification of unpaid insurance]

When you renew your subscription, we ask you to check whether you have missed any payments prior to renewal of the insurance contract. If you have missed a payment or have any questions, please send an inquiry to the contact information written on the pamphlet. Further, the information provided in the pamphlet is in regard to this year's post-contract renewal compensation. Please note that the information differs from that of pre-contract renewal compensation.
