3. Application

● How to apply

STEP 0

UOsaka Coordinators offer guidance and support to the counterpart universities through emails and other means of communication.

STEP 1 (Selection and pre-matching)

The coordinators of counterpart universities : Select candidates and submit the application documents to UOsaka coordinators. (**deadline: 30 October 2026**)

UOsaka coordinators : Match the candidates with UOsaka professors.

STEP 2 (Nomination in T-cens) / **deadline: 16 November 2026**

UOsaka Administrators : Provide the nominator of counterpart universities the detailed instruction on how to register students in application system called T-cens.

The nominator of counterpart universities : Register the candidate students in T-cens after pre-matching.

STEP 3 (Submission documents in T-cens) / **deadline: 20 November 2026**

The nominated students : Submit the application documents in T-cens.

● Notes

- Participants must be a citizen, legal resident or visa holder in the country/region of home university. Participants with Japanese citizenship can be considered if they are mainly educated outside of Japan.
- Suitable conditions of physical, mental and social health to study abroad are necessary.
- In case the number of applicants exceeds the capacity, the number of participants may be limited after our selection process.
- UOsaka grades release is after mid-September. If you are a final year student in home university, please be reminded that the grade release timing is not negotiable as it tends to involve many different academic schools and departments.
- If you are an international student, please double-check that you have a relevant visa with a sufficient validity period to study at UOsaka and that you are eligible and guaranteed to re-enter the country of home university.
