Should We Tax Soft Drinks?

Interactive Seminar
Brainstorming & Creative Discussion in English
Led by Professor John Ino
Professor Emeritus,
University of California San Francisco

Tax on sugary drinks?
Yes, in Mexico since 2014. In the US, Berkeley and Philadelphia also passed the new law. Overconsumption/regular intake of sugary drinks may increase the risk of teeth decay, heart disease and other chronic diseases. Let's discuss various issues concerning soft drinks tax. Please join us!

UC Osaka Office Special Lecture : This special English lecture series is being conducted in an interactive seminar-style, based on group discussions about familiar topics. Participants consider things from multiple viewpoints, critically and pleasantly, through stakeholder analysis in order to develop logical thinking ability and communication skills.

Is this your first time to join the lecture ? Don't worry ! All welcome !
