

AEARU Global Learning Initiatives Program (GLIP-Fall 2023)

1. AEARU Overview

Established in 1996, The Association of East Asian Research Universities (AEARU) is an organization made up of presidents from major research universities in East Asia with the aim of holding various forums based on mutual interests in the East Asia region. There are currently 17 research universities in the Association, which hold various programs such as workshops, summer camps, and international symposiums. Osaka University joined the Association in 1996, the same year as the 2nd General Meeting, and has been actively participating in various events.

2. Global Learning Initiatives Program Overview

Global Learning Initiatives Program is the online program consisting of courses offered by AEARU member universities. For details, please check the website in [8.].
