

Professeur Yasushi YAGI
Executive Vice President of Research
Osaka University

Strasbourg, 3rd of July 2017

Catherine FLORENTZ
Première Vice-Présidente
Vice-présidente Recherche et
Formation Doctorale

Dear Professor Yagi,

We are very pleased to inform you that the University of Strasbourg (Unistra) will invite one researcher of your institution in the frame of the common agreement Unistra-Osaka University, during the academic year 2017 (September) / 2018 (June).

We would like to underline the following points:

- Travel expenses: the round-trip economy-class airfare and the round-trip railroad fare between the airport and Strasbourg will be covered by Unistra.

The researcher should inform Mrs Caroline Blatz (caroline.blatz@unistra.fr), who will organize the reservation and pay the tickets. These tickets are not modifiable and non-refundable.

- Duration of stay: it should be between 15 and 21 days.

- Accommodation: reservation can be performed by Mrs Blatz at the residence for researchers "Residence Arconati-Visconti".

- Lectures: at least one specialized lecture in the Research department hosting the visiting scientist and one general lecture to be given at the Maison Universitaire France-Japon are expected.

- Application: the application form, filled in and signed by the candidate, must be sent to Mrs Blatz at least two months prior to arrival.

- Honorarium: the visiting researcher will receive 90€ per day of stay upon his arrival. It will cover all the living costs including accommodation.

In the frame of the exchange program between our two institutions, we would appreciate any information about changes which could have occurred in your procedures to host a Unistra visiting scientist.

Thank you very much for your kind cooperation.

Sincerely yours,

**Direction de la Recherche et de la
Valorisation**
