

Guidance on ANPIC

(The University of Osaka's Safety Confirmation System)

During emergencies such as large earthquakes, safety confirmation messages will be sent from **ANPIC (no-reply @jecc.jp)**.

When you receive the message, make sure to report your status without fail!

Please complete your **initial registration** first.

※Registration begins one week after the start date of employment.

Step1

Scanning the 2D barcode will take you to the initial registration site.

Step2

- 1) Enter your **The University of Osaka Personal ID** and click "Next."
- 2) An initial registration email will be sent to your **ICHO mail** account.
- 3) Click the URL provided in the email.
- 4) Enter your password and contact email address(es), then click "Register."
- 5) A confirmation email for full registration will be sent to your **ICHO mail**.
- 6) Click the URL provided in the email for final registration.

Registration complete! Well done!!

When you're in trouble...

About **ANPIC**

Information is available on The University of Osaka ANPIC page.

For Added Convenience

Notifications and reports via **LINE or the dedicated app**.

Easy-to-follow operation guides are available on "MyHandai"

[Reference] If you are unsure how to use **ICHO mail**, please click here.→
